

This form is the property of USGC Services. It is the official USGC Services paper Diversity Visa Application form and only valid for the DV2008 (calendar year 2006) green card lottery program. No other paper applications will be accepted by USGC Services.

The application must be completed 100% accurately and returned together with photographs and payment to the address supplied. The closing date for paper applications is currently the end of November 2006 and might change. The reason for this is to allow enough time to scan, process and fix any errors on your application.

Also take note that the fee structure for paper applications differ from online applications. It is highly recommended that you rather complete an online application over the Internet at the USGC Services website (www.usaza.com), that completing a paper application. A paper application should only be completed if it impossible for you to complete an online application over the Internet.

1. WHAT IS THE GREEN CARD LOTTERY

The GREEN CARD LOTTERY, also known as the DIVERSITY VISA PROGRAM, allocates 50,000 – 55,000 visas, to applicants from certain eligible countries around the world. The qualifying applications will be chosen in a random drawing or "LOTTERY" conducted by the U.S. STATE DEPARTMENT. The selected applicants will qualify for a so-called "Green Card" after submitting a successful immigration petition. The United States Congress first enacted the program in 1965.

2. HOW DOES THE LOTTERY WORK?

Approximately 100 000 "WINNERS" will be selected by a computer drawing and be notified via mail or email. All winners will receive the official immigration forms to be completed immediately. Interviews will be granted to the first 50 000 returned immigration applicants. An interview at the nearest US Consulate will be scheduled and if successful, the DV Visas will be issued. You will then have 6 months from the date of issuance to enter the US to complete the green card issuing process.

3. WHAT DOES A GREEN CARD ALLOW ME TO DO?

A Green Card gives a person the LEGAL RIGHT to:

- LIVE, WORK AND STUDY permanently in the United States.
- Enter and leave the country freely.
- Work at any government institution, public or private jobs.
- Receive health, education and other benefits.
- Sponsor certain relatives for Green Cards.
- Keep your present citizenship. (The Green Card DOES NOT affect your present citizenship. A Green Card holder may, after 5 years residency in the US, apply for US citizenship, if desired)

4. WHO QUALIFIES TO PARTICIPATE?

You will qualify if the following is true:

- You or your spouse was born in a qualifying country. See the list of countries that DON'T qualify in section 5 below.
- You have at least the equivalent to a U.S. high school diploma (12 years of successful schooling) or two years work experience in the past five years that requires two years of training.
- You must be able to work and/or support yourself
- You don't have a criminal record.
- You meet the needed medical requirements.

5. WHICH COUNTRIES DON'T QUALIFY?

The selected lottery countries include most of the countries in the world. The following countries DON'T qualify: CANADA, CHINA (mainland-born), COLOMBIA, DOMINICAN REPUBLIC, EL SALVADOR, HAITI, INDIA, JAMAICA, MEXICO, PAKISTAN, PHILIPPINES, RUSSIA, SOUTH KOREA, UNITED KINGDOM (except Northern Ireland) and its dependent territories, VIETNAM.

6. ANY OTHER REQUIREMENTS?

- You don't need to be able to speak English.
- You don't need to have relatives living in the United States.
- You don't need a certain amount of money or a job waiting.
- You cannot have a criminal record.
- You cannot be mentally disturbed.
- You cannot be a threat to the United States national interest.
- You can enter the Green Card Lottery even if you have other petitions pending. Entering does not affect current or past petitions.

7. HOW DO I ENTER THE LOTTERY?

You can capture your information on the State Departments website during the allowed entry period, or complete all the information on the application form below. Important things to remember are:

- **Write on the application form the First Name, Middle Names, Last Name, Gender and the date and place of birth** of the applicant, his/her spouse if married, and all unmarried children, as well as all legally-adopted and stepchildren under the age of 21 years. Applicants must also indicate their marital status.

• **There's a required Processing Fee**

• **Photograph's:**

- Applicants may also upload digital photographs after completing an online application at www.usaza.com.
- If you cannot submit a digital photograph, attach a passport photograph of size 50mm x 50mm (2 inches X 2 inches) for **each person on the application** to USGC Services address below. Note that it must be a recent photograph of the applicant, the applicant's spouse, and all children on the application.
- Write the **name of each person on the back** of his or her photograph. Failure to submit photographs for all family members will result in disqualification.
- The person on the picture must be **directly facing the camera**; the head of the person being photographed should not be tilted up, down or to the side, and should cover about 50% of the area of the photograph.
- The photograph should be taken with the person being photographed in front of a **neutral, light-colored background**. Photos taken with very dark or patterned, busy backgrounds will NOT be accepted.
- Photos in which the face of the person being photographed is **not in focus will not be accepted**.
- Photos in which the person being photographed is wearing a **hat or glasses with dark lens** or in which the face is obscured in any way will NOT be accepted.
- Photos may be **either color or black and white**.

8. ANY OTHER IMPORTANT INFORMATION?

The State Department released [new rules](#) in August 2003 allowing submissions of online applications and digital photographs.

The U.S. State Department doesn't charge a fee for entering the Diversity Visa Program. You may choose to submit your entry on your own during the brief submission period from the State Departments website. However past statistics indicate that many applications received were disqualified for various possible reasons:

- Insufficient information
- Incorrect information (names, addresses)
- Incorrect photographs (size, orientation & picture quality)
- Applications arriving before or after the submission period (no longer possible)

The State Department has very specific requirements for applicants and any deviation might result in a disqualification. USGC Services will help minimize this possibility and assist applicants in the following ways:

- Year round acceptance of submissions. We will submit your application during the brief submission period. The receipt received from the State Department confirming success submission will be sent to you via email where provided.
- We accept and validate non-digital photographs and will contact you should your pictures not comply with all the State Department's requirements as listed above.
- We will turn passport photographs into digital photographs.
- We will downscale digital photographs to required size.
- We will contact you if your application is incomplete e.g. missing photographs etc.
- If you are selected as a winner, your information will first be sent to our office in the US. We will make copies of all the documentation and contact you via email, telephone or mail, and inform you of your winning status. The winning package will then be couriered to your preferred address.
- As we have firsthand experience with the immigration process, we will guide you through any of the procedures and questions you might have regarding the process.

9. CAN BOTH HUSBAND AND WIFE APPLY?

YES, a person can only enter a single application per year, but by having both husband and wife entering you will double your chances.

10. WHEN SHOULD I SUBMIT MY APPLICATION?

The State Department's brief application submission period varies every year and is currently unknown (for DV2007 it was 5 Oct 2005 – 4 Dec 2005). However, USGC Services accepts applications throughout the year with a discounted rate of up to 40% for early entries. So we strongly advise you enter immediately to avoid disappointment. Always first use the online application submission before completing this form. To complete an online application, connect to the internet and go to www.usaza.com and select Register an Online Application.

11. WHEN WILL I BE NOTIFIED THAT I HAVE BEEN SELECTED?

Successful applicant will be notified by our office during the months of May through July of the following year. Note that the DV program of the previous year officially closes in October of the following year.
